- Using Analytics Studio for Project Transactions Reporting (ILT)
- Using Analytics Studio for Person Utilization Reporting (ILT)

Administration

- Administering the Subcontractor Portal (ILT / SDL)
- Administering the System (ILT / SDL)

"

I did it! I completed the closing of the fiscal period test and passed! I have now completed the five tests successfully for Financial Manager Certification! I couldn't have done it without you! ***Your informational and engaging instruction throughout all the classes held my attention and helped me to focus and absorb the material.*** *I wanted you to know what a great instructor you are!*
